

The LAHS Parent Form is now ONLINE!

Si necesita ayuda en Español para completar esta forma, por favor contacte a maria.hoerni@mvla.net

4 Critical Funding Sources for LAHS

<https://fs22.formsite.com/lahs/ParentBTS/index.html>

Online form will be active during the Back to School process:
August 5, 2019 to October 31, 2019

IMPORTANT: This online form replaces the green “LAHS Parent Membership & Donation Form” previously mailed to your home in the Back-To-School packet. *The online form takes 5-7 minutes to complete.*

This improved online form helps parents:

- Learn about and connect with parent-led organizations
- Donate to all organizations using one payment method
- Receive tax receipt upon payment

PLEASE CONSIDER A DONATION. PARENT & COMMUNITY DONATIONS TO THESE GROUPS ARE A CRITICAL FUNDING SOURCE FOR LAHS.

- **Make a Pledge to The MVLA Foundation** - The MVLA Foundation raises funds to support essential academic programs and services which benefit all students in the MVLA High School District this year--including Chromebooks, smaller freshman class sizes, Tutorial and College & Career Centers, and Innovative Learning Grants.

Then use one PayPal, credit card or check payment to support:

- **PTSA** - PTSA brings together parents, teachers and students to support programs that enhance the educational experience for each LAHS student. The PTSA relies on donations to support STEAM Week, Challenge Day, Writers Week, teacher training and many other programs at LAHS.
- **Athletic Boosters** - Athletic Boosters is a non-profit group comprised of parents, grandparents, community members, alumni, and teachers. We support our athletic teams through the purchase of uniforms, equipment, and coach training.
- **Freshman Challenge Day** - Challenge Day is a social and emotional learning program that offers students an opportunity to ignite a shift toward greater school connectedness, empathy, and inclusivity.
- **Instrumental Music Boosters** - The Instrumental Music Boosters pays 95% of the expenses for our instrumental music classes and programs to: buy music, repair equipment, purchase new instruments, fund music clinicians and support staff, and provide student scholarships.
- **Visual & Performing Arts** - These organizations support the Visual and Performing arts at LAHS. Donations fund costumes, publicity, art supplies, and more.
- **Speech and Debate** - Speech and Debate is an extracurricular activity designed to build communication skills through public speaking competition. The majority of funds go to pay student entry fees for tournaments.
- **Sophomore Self Defense** - Funding provides the addition of a self defense unit in PE. Topics include safety, anti-bullying, assertiveness, respect and inclusion, self esteem, and self defense.
