

Welcome to the 2019-2020 school year! The LAHS PTSA brings together Parents, Teachers and Students to support programs that enhance the educational experience for each student at Los Altos High. The PTSA relies heavily on donations to support STEAM Week, Challenge Day, Writers Week, teacher training, the library, parent education and many other programs at LAHS. In addition, we provide each freshman student with a daily organizer and produce the student directory. Our parent volunteers also staff many of the activities that make LAHS a special and unique experience for students and staff.

There are several ways to support the PTSA:

1. **Become a member!** Individual and family memberships are available. Student directory is included with membership. <https://fs22.formsite.com/lahs/ParentBTS/index.html>
2. **Donate!** A \$100 donation per student is suggested. These funds directly support activities at LAHS. <https://fs22.formsite.com/lahs/ParentBTS/index.html>
3. **Volunteer!** There are many opportunities to volunteer schoolwide: <https://fs22.formsite.com/lahs/volunteer/index.html>
4. **Stay in touch!** Sign up for PTSA emails: <http://lahs.elists.mvla.net>

Thank you for strengthening our school community and enhancing the quality of campus life at Los Altos High School!

Please join us for the first PTSA meeting on Tuesday, September 10, 2019 at 7pm in the College & Career Center. We look forward to a rewarding year together. Please contact us if you have any questions or concerns.

Sincerely,

Nikki Selden
PTSA President
