

# RECOMMENDED RESOURCES FOR ONLINE ENRICHMENT

Mountain View Los Altos High School District (MVLA) would like to provide parents with a curated list of resources for enrichment and further learning. This list is by no means exhaustive but represents a broad spectrum of thoughtful educational offerings.\*

MVLA Libraries: [Los Altos High School](#) | [Mountain View High School](#)

## General Enrichment Resources

[Audible](#) - A collection of free read-aloud books, including literary classics.

[Code.org](#) - Opportunities for students to practice coding through games and challenges.

[Khan Academy](#) - A wide variety of topics, content areas, and lessons for all grade levels. Choose to view "Courses" located on the top left corner of the homepage. Great for all learners, including English language learners.

[KQED](#) - Public radio and TV source providing at-home learning response to school closures for all students in California. New educational schedule provides programming for high school students from 1-6 p.m. daily.

[National Council of Teachers of English](#) - Web-based resources for reading and writing practice: [Grades 9-10](#) | [Grades 11-12](#)

[National Geographic](#)

[The New York Times](#) - A continuously updated list of resources, writing prompts, critical thinking prompts and more based on current events and of-the-moment ideas.

[NPR](#) - Use the links on the website to connect to NPR content, including a wide variety of podcasts. There's something there for everyone.

[Open Library](#) - A free online source for books and cultural artifacts, run by a non-profit.

[Project Gutenberg](#) - A free collection of 61,000 downloadable classic texts.

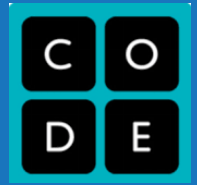

[Santa Clara County Library](#) - 24/7 source with free access to eBooks, magazines, audiobooks, music, streaming video, online research, digital subscription to the New York Times, online classes with Lynda.com and Rosetta Stone.

[Skype A Scientist](#) - Normally a resource that matches classrooms with scientists, this resource now has a sign-up for families.

[Smithsonian](#) - Official website of the Smithsonian, the world's largest museum and research complex, with 19 museums, 9 research centers, and affiliates around the world.

[TED Talks](#)

[12 Museums that offer virtual tours](#) - Virtual tours of some of the world's best museums.

# MVLA DISTANCE LEARNING TOOLS

Teachers, counselors, and students are engaging in distance learning through the use of district approved digital products. Students must be logged into their MVLA accounts to access the Google Classroom platform and other resources.

Resource	Information for Parents	How Teachers and Students are using the Resource
Google Classroom	<a href="#">Introduction to Google Classroom</a> 	Google Classroom is the GSuite tool MVLA adopted as the hub for teachers to share class resources and to give feedback to students. Your student will have a separate Google Classroom for each of their core classes.
Gsuite Products	<a href="#">Introduction to Google Suite Products</a> 	In addition to Google Classroom, teachers and students have a suite of Google products available that support creativity and collaboration.
Texthelp Products	<a href="#">Texthelp Information</a> 	The Texthelp reading and writing support products provide text to speech, speech to text and powerful tools for students who need support engaging with content. These products are visible on the toolbar when students are logged into their MVLA accounts.
Naviance	<a href="#">Los Altos High School</a> <a href="#">Mountain View High School</a> 	Naviance is used by counselors and the College/Career Center to help students navigate college information and requirements. Students should use their school issued accounts.
Zoom	<a href="#">Log In</a> 	HIPPA and FERPA compliant online platform for digital conferencing, learning activities and school services.
