Canvas - Setting up the Student App
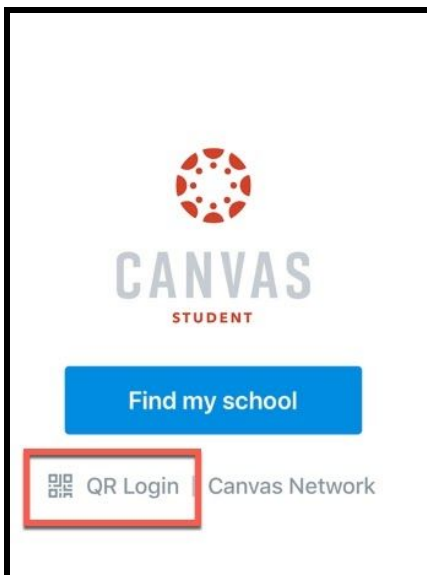

Start by downloading the *Canvas Student* app from the App Store or Google Play.

Once the app is installed on your Smartphone or table, click "QR Login"

From your Canvas account on your computer or Chromebook:

Click on

    (1) Account

Select

    (2) QR for Mobile Login

Scan the QR code that appears on your screen with your Smartphone or tablet; this will log you into Canvas.
