## Below are summaries of each item on the front of this Combined Payment Form

### **Family Data Information & ASB**

Please fill out this box completely, including all students currently enrolled at MVHS. Use a separate form for each student if needed.

### **MVLA High School Foundation**

Every student in every grade benefits from the foundation's grant to support students during high school and prepare them for college. Programs include: reduced class sizes for freshman English and math, Chromebooks, Tutorial Center, extended library hours, Student Information System (SIS), Naviance, free PSAT testing for sophomores and juniors, College and Career Center, and more. To learn more visit [www.MVLAFoundation.org](http://www.MVLAFoundation.org).

### **ASB, Yearbook, & Physical Education Materials**

Purchase an ASB sticker for discounts on most of our student activities, dance, performances, and athletic events. Also, purchase a yearbook and physical education clothes. Athletes are required to purchase ASB stickers to fund referees, league dues, and home tournament fees.

### **Speech and Debate Program Donations**

Our award-winning Speech & Debate program is open to all students at both of our high schools at any time during their high school career. Students learn to organize their ideas and raise their voices on issues they are passionate about. The recommended contribution for members is \$395/year, which goes toward coaching and tournament entry fees. Not all students can contribute, so we also appreciate additional donations from community members who value our mission to. You can also donate through our booster club, which is a registered 501(c)3 nonprofit organization, at [mvlasdb.org](http://mvlasdb.org).

### **PTSA Membership**

Mountain View High School's Parent Teacher Student Association (PTSA) welcomes all parents, teachers, (staff) and students to the MVHS membership. The PTSA is the voice for parents, teachers and students of MVHS and provides a safe place for debate, conversation and suggestions for improvement when issues arise on campus. We provide volunteer and financial support for the high school, and our collective voice is more powerful with a high number of PTSA members. The PTSA holds semi-monthly meetings on campus to discuss business, campus issues and provide the opportunity to hear from guest speakers as they address key programs.

### **PTSA Donations**

The PTSA assists with funding for campus programs and activities that affect a broad range and number of students. Some of these include: Spartans Pause (wellness activities for students), day planners, noontime gym activities, educational speakers, Camp Mettamorph, incoming freshman orientation materials, classroom equipment/supplies, staff appreciation events, parent education, emergency supplies, student scholarships, and the graduation reception. During the school year, a campus group or club may come to the PTSA to request additional financial support or additional parent volunteers.

MVHS's PTSA's direct appeal seeks donations beyond the PTSA membership fee. This year the PTSA has an ambitious budget of over \$65,000, targeted at programs benefiting MVHS students. The PTSA is requesting a donation of \$150 per student. We know that \$150 is not possible for many of our families; please choose an amount that works for your budget. If you are in a position to do so, please consider sponsoring an additional student. Please visit the MVHS PTSA website for a draft of the budget.

### **MVHS Sports Boosters**

MVHS Sports Boosters is a non-profit 501(c)3 parent organization that raises funds, awareness and school spirit in support of MVHS student athletes. We raise funds through club membership fees, the Thanksgiving Turkey Trot, the Christmas Tree Lot, Annual Golf Tournament and an Annual Social co-hosted with Music Boosters. As a bonus, your \$100.00 membership entitles your family (including children through middle school age) to a sports pass that will grant free access to all MVHS home athletic events excluding CCS playoffs. We welcome all parents, grandparents, family members, alumni or interested community members to join the organization. Our 2019-2020 goal is to exceed our membership drive from last year. All funds raised / donated are used to help support the purchase of equipment and capital upgrades that improve MVHS Athletics. Examples of significant upgrades for the 2018-2019 school year include the purchase of hydration stations, a new baseball scoreboard and a new sound system for the large gym. These improvements support MV Athletics and benefit all MVHS student athletes.
