

LAHS WASC GOALS

2013 -2019

1. Alignment

- A. Complete the vertical and horizontal alignment of curriculum, instructional practices and assessment strategies within departments at LAHS.***
 - B. Further align curriculum, instruction, assessment and school-wide programs with the ESLRs “Collaborative Learner,” “Community Participant” and “Responsible Individual.”***
 - C. Further align curriculum, instruction and assessment standards with partner middle schools.***
- 2. Prepare each student to meet proficiency standards set by the state, including Proficiency on California Standards Tests in each subject area, and passing the CAHSEE.***
 - 3. Increase the proportion of all students, and each subcategory of under-represented students, who satisfactorily meet a-g requirements for UC/CSU admission prior to graduation.***
 - 4. Create a school culture and professional climate that fosters a commitment to high quality work and personal satisfaction for each member of the school community.***
 - 5. Continue to effectively integrate technology into the instructional program, communications systems and collaborative processes.***
